

Once again, our
predictions for 2021
were off target!

After another year of
Zoom meetings...

**Happy ✨
Holidays
(finally!)**

It's been 'accrual' world...

...nothing has gone to plan in 2021 so let's redefine what success looks like!

For you

[hours, role, drawings, holidays]

For your business

[sales, cashflow, growth, business plan]

For your team

[culture, flexibility, salary progression, perks]

You may not feel like you've had much success - so focus on what you can control.

Are you one of the few who didn't purchase either a puppy, a jet ski, or an air fryer? Take that as a win!

Take a moment to review your year.

Document the positives.

Record improvement opportunities.

change, and wherever
there is uncertainty,
there is opportunity.**

What success do you want in 2022?

1. Pick three definitions of success.
2. Write them on a piece of paper.
3. Describe the current roadblocks.
4. Brainstorm how you intend to overcome them.

Put your answers somewhere safe - for later.

FINANCIAL FREEDOM

Step 1: Review your personal budget and identify areas to trim.

Step 2: Determine how much you *really* need from your business.

Step 3: Refine your processes to ensure you get paid faster.

Step 4: Review and minimise expenses.

Step 5: Make it through the year with less financial stress.

BUDGET: A
